## Sport Motorbike

With the Suzuki Collection for sports bikers you're ideally equipped for any terrain. And one thing's for sure: you've never negotiated those bends looking better.

### 1 Biker backpack

The sophisticated carrier system designed specially for motorbike riders offers optimum support. Gone are the days of cramming things awkwardly into motorbike clothing. High wearing comfort even at high speed and with heavy loads. The biker backpack features an integrated rain hood, helmet net, bottle holder, mobile phone pocket, eyelets to let a cable through and inside pocket for intercom or MP3 player.

### 5 Suzuki GSX-R one-piece racing leathers

These exclusive Suzuki racing leathers are made of 1.2- to 1.4-mm-thick cowhide. The elastic textile inserts in the leg, groin and shoulder regions ensure maximum comfort, while the safety seams and detachable SaS-Tec-CE protectors on the elbows, knee, shoulders and back, along with the carbon fibre applications on the shoulders, elbows and knees, all provide ample protection. The leathers are also equipped with an aerodynamic back hump, and the front and rear airflow system ensures adequate ventilation.

### 13 Touring jacket long

#### 14 Sport touring jacket short

Fitted with outer material Airguard 500D and double material over the protectors in the area from the shoulders and elbows, you get a special double Dynax material for highest possible safety. The inlay with 210 T Taffeta with Suzuki label provides you together with a high-grade Z-Liner membrane (100% waterproof and breathable) a comfortable ride during the summer season. Air control system with two openings in front and rear helps you for cool climates. For the colder days you can use the attached microfibre neck warmer (included only by 990F0-STEX1-Size and 990F0-STEX2-Size). For a better perception, the jacket is fitted with 3M Scotchline in the back area. Not only is the double stitching, in same colour, a high safety relevant issue. The CE marked (EN1621-1 / EN1621-2) protectors for the shoulders, elbows and the not usual CE back protector will convince you with very high safety quality. For an individual fit, you can change the elbow protectors in two different positions. Stretch material in the inner side of the arm and also on the side of the jacket let you feel comfortable in every situation. Together with the special fitting Touring trousers (990F0-STEX4-Size) you can use the long connecting zipper for a perfect and comfortable ride. The jacket is also equipped with a short zipper to connect the trousers to other manufacturers.
