Star 2007

Content

Imagine your Custom Bike...

Not just a custom bike – your custom bike. As your eye comes to rest on each piece of custom chrome or leather that's there because you wanted it there, you smile. You knew it was a detail that would give your machine the right look.

This catalogue contains the range of Star Accessories™ available exclusively through Yamaha motorcycle dealerships. From windshields and luggage racks to chrome and leather, the Star Accessory line offers owners hundreds of options for personalising and customising their bikes. Choose from a vast selection of custom options to express your idea of what motorcycling is all about. And because you're choosing genuine Star Accessories™ you can be confident of the premium quality and right-out-of-the-box fit you'd expect from Yamaha.

...Star Accessories.

Let your imagination run wild.

Image depicted of the XV51300A Midnight Star is based upon US-spec machine. The European model may feature a number of detailed changes in order to comply with European homologation regulations. Saddlebags shown in this image are not available in Europe.

2 Engine Guards Large

Styling of these big 1-1/4" chrome engine guards fit perfectly with the sleek styling of the Midnight Star. ! Caution: These engine guards may provide limited protection against cosmetic vehicle damage in certain situations, such as if the motorcycle tips over while stopped or moving slowly. These engine guards are not manufactured or intended to protect the rider from injury in a collision.

STR-1D731-20-00

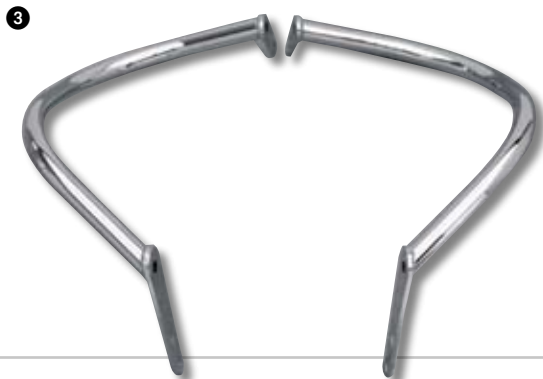

⑩

3 Big Bar Engine Guards

The ultimate in classic styling. The big 1/4" tubing matches the styling of the XVS1300A Midnight Star.

Windshields

① Windshield Assembly Midnight Star XVS1300A

Windshield assemblies are available in two heights: Tall and Short. Replacement windshields are also available in Tall and Short height, making it easy to change your windshield to match changes in weather or attitude. The windshield mounts are required for mounting of the windshield assemblies (sold separately).

2 Midnight Star XV1900A

Made of tough 4.5mm thick polycarbonate treated with the new generation Quantum Coating® to provide a long lasting, durable protective finish.

Available in three heights: tall (24-3/16"), medium (21-3/16" - the same height as Midnight Star), and short (16-11/16"). The unique quick release feature allows for quick change of your windshield before riding due to a change in weather or attitude.

For added security, the lock kit (see left page, STR-2C90-10-00) can be installed. Replacement windscreens are also available in all three heights. Windshield mounts (STR-2C503-40-00) required on Midnight Star models. Windshield mounts and lock kits sold separately.

Star Accessories

Covers

① Expandable Custom Cover

This versatile custom cover incorporates expandable windshield and backrest pockets to fit the standard Royal Star all the way up to a fully accessorised model. The bottom half is constructed of duck canvas for heat protection against hot exhaust pipes while the top half utilises Evolution 4™ material which is breathable, water repellent and UV resistant.

- Both materials provide excellent outdoor protection.
- Not recommended for trailering.
- Featuring Star logo.

STR-4WMCU-SC-VR

①⑥⑪

② Deluxe full Cover Custom fit cover

It is a durable fabric to help protect your Venture from scratches and small dents, with excellent breathable, water-repellent, and UV protection characteristics.

Lower cover panels of heavy-duty duck canvas help protect the cover from heat damage caused by warm exhaust.

- Evolution Ivâ woven
- Superior outdoor protection.
- Durable fabric
- silk-screened Star logo
- convenient tie-down loops.

Not recommended for towing.
