Yamaha-Lab

Life is an experiment. Look with an open mind. Jane found hers in a remote dealership in France. John bought his in a tiny Spanish village. They met each other at a roadside cafe in Italy. Life is full of coincidences. Like you reading this right now. You're here looking for a style.

One that says you. But you won't find this on the high street. Only off the beaten track. Or at your local Yamaha dealership. There are others like you. You just need to set your mind free. Travel with an open mind. The road is your laboratory. Experiment. And you will find.

Paddock red - blue

Red sky at night, motorcyclists delight. Blue sky in the morning. The wind in your face. An open road. An open mind. The race is on. And you're one of the crew. There to give a helping hand when style needs some technical adjustments. When ordinary needs to get on its bike

and get out of town. Technically, this range is for Yamaha crew only. The Yamaha style factory has worked overtime to make a few available for the lucky few men, women and kids! Exclusive. Rare. Hard to find. But when you do? Hard to take off.

Luggage

The 8-hour day. Deadlines. It's time to break free. It doesn't matter where you go. Get in the saddle and leave it all behind. All that is, except a few essentials. A sense of adventure, freedom and the weather. And maybe a toothbrush and a change of clothes. Personalize your

Yamaha exactly the way you want it to be, with our range of luggage accessories. What you take is up to you. Like the road ahead, the possibilities are endless.
