# Create Your Perfect Rhino

The Rhino is the ultimate go-anywhere 4x4: powerful, lightweight, compact and good for two people plus 180kg of cargo. Rhino was created to function superbly in a wide range of environments and across a wide range of uses, whether it's hard work or serious fun you've got in mind.

And now you can fine tune your Rhino 660 or Rhino 700 to your own outdoor life with our huge range of genuine accessories, all engineered to Yamaha's renowned build quality. Wherever you're going – mud, snow, sand – whatever you're doing – working or playing, hunting or exploring – genuine Rhino accessories have got it covered.

There's windscreens and sun tops, bush bars and bumpers, bash plates and body kit to enhance Rhino's go-anywhere, do-anything capabilities. There's hunting gear, including gun boots and camouflage kit. There's high-powered winching equipment and cargo storage, high-performance lighting and snow chains. Fit Rhino accessories and make your Rhino unstoppable.
